

Make a Gift That Helps Us - and You!

Proposal for John Q. Donor

Consider a Charitable Gift Annuity

The generosity of donors like you have made it possible for the Fenway School of Psychology to provide students with a one-of-a-kind academic experience noted for hands-on research opportunities, personalized faculty mentoring, and small classes at an affordable price.

One way you can generously support The Fenway Fund is by creating a charitable gift annuity.

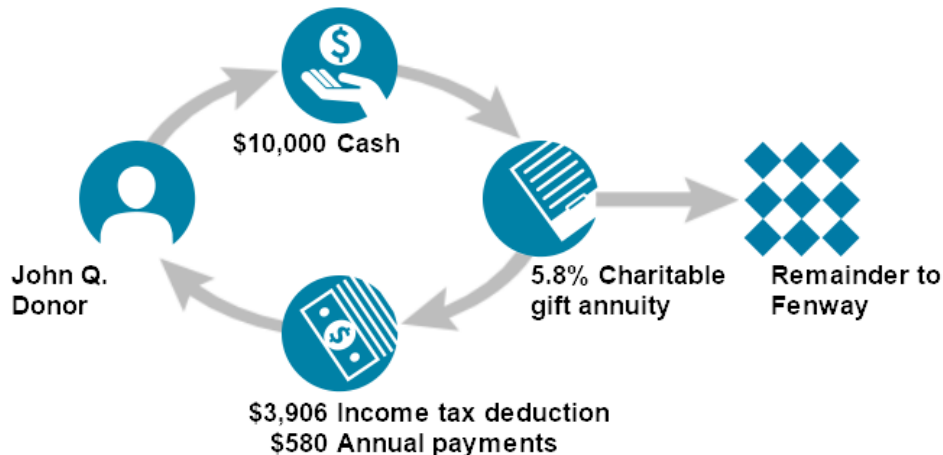

A charitable gift annuity is a gift plan that lets you receive fixed, dependable payments for life -- and save taxes -- while making a significant gift to Fenway.

Example Prepared for John Q. Donor

This diagram shows the benefits if you give \$10,000 to Fenway in exchange for a charitable gift annuity that makes payments each year for an annuitant, age 72.

In addition to providing generous support to Fenway, these benefits include a \$3,906 income tax charitable deduction and \$580 in payments each year for life. Even better, \$421 of each year's payments will be tax-free for the first 14.5 years.

These calculations are for illustration purposes only and should not be considered legal, accounting, or other professional advice. Your actual benefits may vary depending on several factors, including the timing of your gift.
