GiftWrap Testing	Version: GW 4.3.0 Build: 35
Revised:	4/15/2020
Test Period:	4/15/20 - 5/8/20
Assignments:	Will be posted in SmartBear on an ongoing basis. You'll get email notification when an item is assigned to you.

Smartbear URL	https://app.qacomplete.smartbear.com/Common/login.html
Description:	Testing items can be found here. Pass or fail each item and make sure to include a note that says [1] the date, [2] your initials, and [3] where you tested (e.g. stage), and whether the item passed or failed. If an item fails, include a detailed description in SmartBear and ALSO send an email to Ellen, Tom, Warren, and Larry right away.
Credentials:	Use your own credentials; see Larry for assistance.

Test Environment to use:	Use STAGE (client stgiftadmin) unless Ellen gives you special instructions.
Credentials:	Use Forgot Password link or see Tom/Ellen/Larry if you need help logging in
